MY MAIN SQUEEZE

One of the pivotal hands in a knockout match from Thursday night turned on breaking up a squeeze on the opening lead. Both declarers reached a contract of 6 NT via mildly different auctions. Audrey Ventura had to select an opening lead from:

Jxx	against the (unopposed) auction:	1 NT	2 H (transfer)
xxxx		2 S	3 D
Axx		3 NT	4 C
xxx		6 C	6 NT

and selected her highest club in an effort to avoid giving away a trick. This choice had the desired effect of setting the contract, but for an unforeseen reason. At the other table, Malcolm Smith, of Whiteville, NC, received the diamond A lead against the same contract, buying the cards shown in the box on the right:

Smith won the second diamond and ran the next 10 tricks ending in the dummy. East was squeezed between the black suits and pitched a club, his only hope being that partner could hold a club spot higher than declarer's. Smith claimed trick 13 with the club 9 for +990.

Ventura's lead at our table broke up the club communication necessary for the squeeze to operate, given that she followed through with a second club upon winning the diamond A.

+ 50 was worth 14 IMPS to the good guys in an eventual 13 IMP victory.

Thanks to Lance Shull for this interesting hand. Have a good bridge story? Put it in the box on the downstairs information table, and it will be published in Sunday's Daily Bulletin.

TOURNAMENT POLICIES

ZERO TOLERANCE POLICY: To establish an atmosphere which promotes the enjoyment of bridge as both a competitive and a social game, the MABC has adopted the ACBL's policy of courteous behavior. For tournaments to be fun, cooperation from all (players, organizers, staff, and volunteers) is necessary. Please report conduct that is unacceptable by calling the director immediately, keeping in mind that we must be tolerant of other people in general and bridge players in particular. Also, please report especially outstanding or refreshing conduct on a player memo form (available from a director or on the information table).

COMMENDABLE: Being a good host or guest at the table.

Greeting others in a friendly manner.

Praising the bidding and/or play of an opponent.

UNACCEPTABLE: Badgering, rudeness, insinuations, profanity, threats or violence.

Gloating over good results.

Constant and gratuitous lessons and analyses at the table.

Loud or disruptive calls for or arguing with the director.

Courteous behavior brings out the best in everyone. Please consider the manner in which you behave. Try to eliminate those mannerisms and behaviors which may cause others to be uncomfortable, and increase those which make you a person others wish to be around. We all have in common a love of bridge. We should focus on our similarities, increase our tolerance of one another, and always behave civilly toward other players.

The intent in creating this policy is to create an environment in which it is never necessary to issue a penalty. However, the publicity surrounding this program constitutes your only warning. Serious breaches of good behavior will be penalized at their first occurrence. Disciplinary penalties are not subject to appeal.

CONVENTIONS: Mid-chart conventions are approved for use at this tournament in Flight A/X pairs or teams, or in bracketed KO events where the lowest team in the bracket has an average of at least 1000 MP per player. For other events or brackets, the ACBL General Convention Chart applies. Players who by agreement lead low from xx must pre-alert their opponents at the start of each round.

NON-ACBL MASTERPOINTS: Players with non-ACBL masterpoints must declare them at the time of entry so that they are placed in the correct flight, stratum, or bracket based on the appropriate conversion factor. Failure to do so may result in disqualification and forfeiture of any masterpoints earned.

BIDDING BOXES: MABC policy is that bidding boxes are used in all events. All players must use them unless they have a sight problem or other physical handicap. Explanatory table cards are available in the tournament office for players who are unable to use bidding boxes.

SMOKING: Smoking is not allowed in any playing area, hallway or lobby. Smoking breaks will be provided during the sessions. Smoking is allowed only outside the building - please use the ash containers provided.

ALCOHOL: Alcohol may not be consumed in or around the playing area.

ATTIRE: Please do not wear obviously inappropriate apparel. Shirts and shoes are required. Use of strong or excessive fragrances in the playing area is not only a distraction but may cause allergic reactions. Poor personal hygiene also is not acceptable.

CELL PHONES: Cell phones and pagers *must* be turned OFF in all playing areas. A first infraction is penalized 3 IMPs or 1/4 board. For emergency situations, leave the cell phone with a director.

PETS AND NON-PARTICIPATING CHILDREN: Pets and non-participating children are not permitted in the playing area.

DIRECTOR, PLEASE! MABC policy asks that players add the word "please" when calling the Director to the table.

ENTRY FEES

The entry fee is \$10 per player, per session for all events.

Youth and Newcomer Discounts: The MABC offers a \$5.00 discount on each full session at each Regional for contestants ages 20 and under. Please inform the director when purchasing the entry.

Pairs of players with 0-20 masterpoints each, who are playing in the I/N pairs games also receive a \$5.00 discount per player.

RECORDER

The recorder for this tournament is Chris Moll. Recorder forms may be picked up from, and returned to, any director or to the tournament office.

KNOCKOUTS

Knockouts are bracketed based on the average masterpoint holdings of all team members. To receive an overall award, a player must play at least half of the boards his team plays, including half of the boards played in the (combined) semi-final and final matches. A player receives only the award earned in the last match that his team won in which he played at least half the boards. (Example: A player plays in the first match, sits out the second, which the team wins (earning 3/4 overall), and then plays again in the third match, which the team loses. This player has earned only the match award from the first match. The rest of the team received the points for 3/4 overall.

Compact KO teams must be composed of exactly four players.

SIDE GAME SERIES EVENTS

There are three separate Side Games Series Pairs Events: Morning Pairs (5 sessions) will run Tuesday - Saturday at 9:00 AM; Water-taxi Pairs (6 sessions), Tuesday-Thursday at 1:00 and & 7:00 PM; and Trolley Pairs (6 sessions), Friday - Saturday at 1:00 and 7:00 PM and Sunday at 10:00 AM and 2:00 PM. Play in as many sessions as you like, with the same or different partners. Overall awards will be based on the two best individual sessions within each of the three events.

PRIZES

Prizes are awarded for first overall in multi-session events, and for section tops and stratum tops. Winners must wait for the 24-hour correction period to expire. New Life Masters and first-time event winners, please have your pictures taken in the Prize Area, located in the lower lobby. It will be in operation Wednesday - Saturday, noon - 12:45 and 6:15 - 6:45 PM, and Sunday from 9:00-9:45 AM and immediately after the game.

IMPORTANT NATIONAL AND REGIONAL NEWS

Bruce Reeve, one of your Mid-Atlantic Bridge Conference Board members, passes on the following important information:

JOIN THE ACBL if you are not already a member. For those who are not members by December 31, 2009, or allow their membership to lapse after that date, the requirement to become a Life Master will increase from 300 points to 500 points. Join and tell your friends!

THE ACBL COLLEGIATE CHAMPIONSHIP is held each year at the Summer Nationals. This year the University of North Carolina at Chapel Hill entered two teams, and one won the trip to Washington, DC. in July. Where are the teams from Duke, State, ECU, UNCW and Wake Forest? What can we do to increase interest in this competition among college-age people?

Bridge is a Partnership Game

Overheard in the hallway:

"If you say one word to me today, I will walk out of here, and you will be responsible for the entry fees of the whole team!"

In response:

"If you walk out, you will be barred from my team forever!"

This is an example of a conversation that no one is comfortable witnessing. It might also be an example of a partnership taking care of themselves and each other. The exchange sounds ugly, but each is making sure that the other knows on what basis they will continue to play together. There is, in fact, a rule that rudeness to partner or opponents should not be tolerated at the bridge table, and directors have the authority to penalize such behavior. Your partner should be your best friend at the table. If he or she doesn't get this simple concept, find a new best friend!
